Thank you to those Year 1 and Year 2 parents who responded to the questionnaire sent out regarding the use of ‘Numbots’ for Mathematics homework. We are currently using TTRockstars in KS2 and the impact of this has been evident in the teaching and learning of Mathematics. We have trialled ‘Numbots’ and as a result of the feedback we are going to continue using this platform for Mathematics homework in Years 1 and 2.

We will review the impact of the platform at the end of the academic year.

A Mathematics meeting will be held for Year 1 and Year 2 parents on Monday 11th November at 3.15pm in the Year 1 classroom.
